Being born and raised within the nature's beauty of Damascus, Syria, Mona Al Mokdad had her heart opened, appreciating the Arabian Horse beauty, excellence, and free spirits!

Mona got a chance to study fine arts at Damascus University, which is what helped her find her passion to display the Arabian Horse Beauties, through her drawings & sculptures.

On the year of 2014, Mona's life faced a major turn when she moved to Cairo, Egypt where the Egyptian Arabian Horses were founded. She then opened her own studio "Mona Al Mokdad" and has proudly become the creator of Rabab Arabian Horse Championship's figure trophies in 2016.

Follow Mona on her social media platforms to stay tuned with her latest updates.

A WORD FROM THE ARTIST

“I saw the angel in the marble and carved until I set him free”
— Michelangelo

For me as an artist, all these visions of artwork pieces as horses running in their beauty , holding the greatness of a free soul. All these ideas struggling for their freedom in the shape of a sculpture.

I say, I am in a state of love with my art.
